

Call for Papers

International Journal of Intelligent Enterprise

ICACB'18: Special Issue on: "Advanced Intelligent and Communication Systems"

Guest Editors:

Prof. V. Vinothkumar, Dr. U. V. Arivazhagu, Prof. R. Ruhin Kouser and Prof. M. Anitha, Kingston Engineering College, India

This special issue will carry revised and substantially extended versions of selected papers presented at the [International Conference on Advanced Computing and Big Data Analytics \(ICACB'18\)](#), but we are also inviting other experts to submit articles for this call.

Subject Coverage

Suitable topics include, but are not limited, to the following:

- Artificial intelligence
- Cloud computing
- Big data applications
- Grid and scalable computing
- Mobile and ubiquitous computing
- Wireless sensor and mobile ad hoc networks
- Computer architecture and real-time systems
- Distributed and parallel systems and algorithms
- Algorithms and bioinformatics
- Cyber security and software engineering
- Image processing and pattern recognition
- Fuzzy logic in knowledge mining
- Machine learning
- Game theory
- Information retrieval
- Multimedia systems and services
- Theoretical computer science

Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. (N.B. Conference papers may only be submitted if the paper has been completely re-written and if appropriate written permissions have been obtained from any copyright holders of the original paper).

All papers are refereed through a peer review process.

All papers *must* be submitted online. To submit a paper, please read our [Submitting articles](#) page.

If you have any queries concerning this special issue, please email the Guest Editors:

Prof. V. Vinothkumar: vinothkumar@kingston.ac.in

Prof. U. V. Arivazhagu: hodcse@kingston.ac.in

Important Dates

Manuscripts due by: 22 May, 2018

Notification to authors: 26 July, 2018

Final versions due by: 25 September, 2018
